

Statement of Limited Warranty Floating Docks

Paddle King, Inc. extends the following warranty to the original purchaser of each new floating dock (the product) it manufactures: Paddle King warrants all docks to be free from defects in material and workmanship, under normal non-commercial use and service for (2) years from the first date of retail purchase, with the exception of a three (3) year extended warranty on all welded parts and welded seams, subject to the terms and conditions stated below:

1. Warrantor: This warranty is granted by Paddle King, Inc., 7110 S. Crystal Road, Carson City, MI 48811.
2. Parties to whom warranty is granted: This warranty is granted to the original retail purchaser when the dock is sold through an authorized dealer and is not transferable to any subsequent owner of that dock.
3. Warranty covers parts and labor required by an authorized dealer. Shipping or transportation of the dock is the sole responsibility of the customer unless a written authorization from the Paddle King president is obtained.
4. Parts/components covered: all parts manufactured by Paddle King, Inc. and installation of parts, which are manufactured by Paddle King, Inc.
5. Parts not covered: All parts or components that are not manufactured by Paddle King, Inc., such as: wood decking, poles, augers. These parts have separate one-year manufactures' warranty granted by the original manufacturer of the part.
6. Proof of Purchase: All warranty claims must be accompanied by a dated and signed bill of sale from an authorized Paddle King, Inc. dealer.

Warranty Exclusions:

- Damage caused by mold, mildew, pink stain.
- Any maintenance or repairs required due to ordinary wear and tear on the dock.
- Damage caused by non-factory installed items.
- Associated damages claimed to be the result of fungus or termites.
- Damage caused by abuse, neglect, misuse, accident or acts of God.
- Any dock modified in any way, other than upon written instructions from Paddle King, Inc.
- Any dock with damage caused by use of chemicals.
- Slight "cupping" of the wood is normal and not considered to be defective.
- Corrosion of the pontoon tubes due to any cause is not warranted. This includes, but is not limited to: exposure to chemicals which could cause damage to the aluminum tubes and parts. You should be aware of any chemicals that are being used to treat water that comes in contact with the dock, especially in ponds or small bodies of water, and read all chemical manufacturer's instructions and precautions. Electrolysis (stray electric current) could also cause corrosion of the tubes.

Under the guidelines of this warranty, Paddle King will repair or replace at our option, any dock or part/components found to be defective in material or workmanship upon review at its Carson City, Michigan facility or by an authorized Paddle King dealer. Shipping, transportation, or service call costs of the dock are the sole responsibility of the dock owner. No person or dealer, agent or representative of Paddle King, Inc. is authorized to make any representation of warranty concerning Paddle King, Inc.'s products on behalf of the company except to refer purchasers to this warranty.

Within 30 days of receipt of a claim, Paddle King, Inc. will arrange for the repair or replacement of the defective part or parts on docks with properly registered warranty cards. All claims must be accompanied by a copy of the original purchase invoice showing the date of purchase and the name of the dealer. All warranty registration cards should be sent to:

Paddle King, Inc., 7110 S. Crystal Road, Carson City, MI 48811

Paddle King, Inc. retains the right to have a representative inspect all parts concerned with any claim initiated under this warranty.
